General Information

Weather: Generally daytime temperatures range between 70 and 90 degrees and evening temperatures are between 50 and 70 degrees. After you sign up for a trip you will receive a detailed Trip Package which will include information on weather conditions.

Packing: We will be sending you a detailed packing list, but generally you will need to bring an umbrella, day pack, comfortable walking shoes, lightweight clothing and toiletries.

Health Precautions: Make sure you are as healthy as possible before you leave home. Check that your teeth are in good shape and get all your immunizations at the right times. The most common health problem is diarrhea. It is very hard to avoid, but we minimize the risks. We will attempt to secure, but do not guarantee, the services of emergency medical personnel. Medical facilities in most areas are limited.

Food: We would like you to try the local cuisine. We will be eating all of our meals in quality restaurants and hotel dining rooms. The food is nutritious and delicious. A vegetarian diet can easily be accommodated.

Personal Hygiene: Other than during the retreat you will have an attached bathroom with hot and cold running water. Laundry facilities are available at most hotels.

Difficulty: Long days traveling by vehicle can be fatiguing. Some walking will be required. If you have any questions regarding your ability please contact us.

An important final note: Himalayan High Treks has a policy of inclusion. We invite everyone regardless of race, religion or sexual preference to participate in our trips. Let's celebrate our diversity.
